

PRESIDENT HAS LITTLE POWER - ELECTIONS ARE SHAM AND USA IS NOT A DEMOCRACY – 120 MILLION ELIGIBLE VOTERS DID NOT VOTE IN THIS ELECTION BECAUSE THEY DO NOT BELIEVE IN THE CURRENT SYSTEM AND DID NOT WANT TO PICK LESSER OF THE 2 EVILS - JOIN OUR REVOLUTIONARY SOCIAL MEDIA PLATFORM TO DO ONLINE REFERENDUM ON KEY ISSUES MOVEMENT FOR JUSTICE AND EQUALITY AND TO FIGHT TYRANNY

1. **USA has no democracy , it is Insidious Oligarchy and Kleptocracy, they make profit by creating wars, misery, suffering and committing atrocities on their own people and around the world. Elections are Sham and do not mean anything as President has very little power (Deep State/Cabal/Cult/Oligarchs rule USA) and cannot address key issues listed below. Presidents come and go but domestic and foreign policies do not change fundamentally. Presidents serve the interest of their donors (Oligarchs who spend billions on political campaigns) NOT the people . After JFK’s murder by CIA/Pentagon no President dares to challenge the Satanic Cult**

2. **No matter who wins the election it will be business as usual for the unelected bureaucracy (Satanic Cult) that actually runs the government. Poverty, homelessness, wealth inequality and inflation will continue. War will continue. Drone killings will continue. Surveillance will continue. Censorship of anyone who criticizes the government will continue. The government’s efforts to label dissidents as extremists and terrorists will continue. Police shootings will continue. SWAT team raids will continue. Highway robbery meted out by government officials will continue. Corrupt government will continue. Profit-driven prisons will continue. And Militarization of the police will continue. **If voting could ever really change anything it would become illegal****

3. **Join our revolutionary social media platform (<https://peoplesmedia.co/>) that gives power to the people and voice to poor and working class and younger generation. Join the movement to bring Justice and Equality and fight TYRANNY , improve peoples lives and make world a better place. Find out the truth about how Trillions were stolen from Western population and why is wealth inequality the highest in the history of the western world as top 1% have more wealth than bottom 90% ,**

bottom 50% live in poverty and other 40% are barely surviving (See Graph Below). Our platform will provide TOOLS to do ONLINE REFERENDUM for 1 BILLION people living in the WEST on key issues that currently matter the most. ELECTIONS OR PEACEFUL PROTEST WILL NEVER BRING ANY REAL CHANGE SO THIS IS THE ONLY OPTION.

4. All crisis, WARS, 911 HOAX (used as false pretext to wage perpetual wars to make profit), 2008 financial crisis, COVID SHAM , Ukraine WAR (money laundering scheme) were created BY DESIGN by the ruling elites (OLIGARCHS AND KLEPTOCRATS) in the last 75 years to systematically transfer wealth and power to the top at the expense of poor , working class and younger generation . After every manufactured crisis there is more money printing and rich get richer and poor get poorer and middle class gets squeezed so there is a clear pattern and it is BY DESIGN (see Graph below). After every crisis, big Wall St banks and big corporations like Blackrock scoop up cheap assets using Federal Reserve's cheap money and enrich themselves while confiscating wealth of the middle / working class. After 2008 financial crisis Wall St. Banks purchased 10 x million foreclosed homes using Federal Reserve cheap money and made hundreds of billions in profit while 10 x million working class Americans lost their homes.
5. Federal Reserve (SCAM - created by the rich for the rich) creates wealth inequality and Inflation by printing / giving trillions of dollars as free / cheap money every year to big Wall St Banks / Fraudsters, BIG Corporations like BLACKROCK and BILLIONAIRES to make rich richer at the expense of poor and working class and younger generation - 10% own 90% of the Stock Market - It is the BIGGEST HEIST OF LAST CENTURY
6. The fact that Wealth Inequality is the highest in the history of the western world (it always happens through corruption) + Govt / Govt Agencies have lot of power and people have no power (peaceful protests do not bring any change) + Strict censorship (honest person does not need this) + resistance to any investigation or oversight (only guilty would do that) + shutting down dissent (calling it misinformation or disinformation & hate speech) + destroying lives of dissidents & killing them and their families (calling them Russian agents , national security threat or threat to democracy) , hiding their crimes by classifying important information and calling it national security issue is CLEAR EVIDENCE OF WRONGDOING when all put together and warrants thorough investigation (MORE EVIDENCE WILL BE SHARED THROUGH OUR PLATFORM)
7. Find out truth about COVID SHAM and its Origins , who was funding development of this lethal virus in Wuhan Lab (Fauci works for Pentagon) , and how it generated couple of hundred billion dollars in profit for Big Pharma and added Trillions to the billionaires wealth through money printing, created inflation for poor , millions lost jobs and went into poverty, millions died from virus & vaccines and millions have long term diseases from virus & vaccines in order to profit Big Pharma. News about Ivermectin (perfect cure for COVID - could have saved millions of lives earlier in the pandemic) was purposely suppressed so Big Pharma can profit from vaccines. Find out secret of health – Candida overgrowth causes 80% of the chronic diseases but doctors purposely do not treat this so they can push the drugs for the Big Pharma.

8. Pentagon, CIA, FBI & Military Industrial Complex orchestrated 911 hoax (and covered it up) and sacrificed lives of 3000 Americans so they can use that as false pretext to wage perpetual wars to make profit and plunder defenceless oil rich middle east countries and that is exactly what happened. After 911, Pentagon's budget went up 10 x times to 800 billion dollars and they had the power to wage war against any country without congressional approval, Govt agencies were created like NSA and homeland security to do mass surveillance / spying on Americans and around the world , Govt agencies gained lot of power over people under the false pretence of fighting terrorism. They created and funded terrorism to wage perpetual wars against defenceless oil rich middle eastern countries so they can plunder those oil rich countries (these countries had no reason to pick a fight with US military superpower knowing that their countries will be destroyed and that is exactly what happened – whole middle east is DESTROYED) . Pentagon , CIA & Military Industrial complex made over 20 trillion dollars in profit since 911 hoax, they plundered trillions of dollars from defenceless oil rich middle east countries and killed tens of millions of innocent people and caused destruction worth trillions and displaced tens of millions as refugees
9. JAILING FOR PROFIT - Having outsourced their inmate population to private prisons run by private corporations, this profit driven form of mass punishment has given rise to a \$70 billion private prison industry that relies on the complicity of state governments to keep their privately run prisons full by jailing large numbers of Americans for petty crimes. USA has highest incarceration rate in the world.
10. Our social media platform will provide TOOLS to do ONLINE REFERENDUM for ONE BILLION people living in the WEST on key issues such as

- Investigate campaign money (BRIBES, KICKBACKS & BLOOD MONEY) of all politicians , they receive millions from Oligarchs, AIPAC (Israeli lobby) , Big Pharma and weapons manufacturers, they pass laws to serve interest of their Donors and NOT the people (they have sold their souls to the DEVIL) , Politicians make millions from illegal stock trading with full impunity
- Shut down 800 military bases around the world operated by Pentagon, Shut down all Bioweapons Labs operated by Pentagon around the world (they want to start another PANDEMIC to make profit)
- Shut down whole network of Assassins , Online agents, hackers, Bots, AI tools etc. operated by the Satanic Cult around the world which is weaponized against the people
